ELISABETH FRINK

Maris College Belgisch Park
Woord&Beeld klas 2 & 3

A high-angle, slightly blurred photograph of an art studio. In the foreground, a student wearing a grey hoodie and a blue and yellow striped apron is painting a canvas. The canvas features a colorful landscape with a yellow sky, blue water, and a dark, winding path. To the left, another student in a white hoodie is also painting. The table is cluttered with various art supplies, including paint bottles, brushes, and completed or partially finished artworks. The overall atmosphere is one of creative activity.
